When billionaire property mogul Theo Storm gives the Commencement address at her college, grad student Jess Wood initially dismisses him as a rich, bland businessman. When he notices her in the audience however, his blatant admiration for her attracts whispers amongst her friends and colleagues and an embarrassed Jess escapes from the throng, only to find herself unable to stop thinking about him.

Storm tracks her down to her tiny apartment and persuades her to have dinner with him and the incredible attraction between them becomes almost unbearable. Theo takes Jess back to his luxurious penthouse and going against all her self-made rules, Jess goes to bed with him. Instead of breaking the tension between them, their tempestuous, uninhabited sexual chemistry awakens something almost feral inside of her, leaving her craving more and more of this incredible man.

7. Stay with Me:

As the police hunt for a missing Jules goes nationwide, Jess fights for her life. A distraught Theo throws every resource at finding Jules and taking revenge on him but as Jess slowly recovers, their love becomes something deeper, different, a true partnership. They discover Jules has drained all of Jess' money to go on the run with and that he had planned to kill her for a long time. Theo and Max track down Malcolm, Jules' henchman and threaten him to find out where Jules is. Malcolm refuses to give his boss up and tells Theo Jules won't stop until Jess is dead, Theo is enraged and kills the man.
