Group Relations Conferences: Tradition, Creativity, and Succession in the Global Group Relations Network: 3 (The Group Relations Conferences Series) Eliat Aram

This book is a compilation of chapters based on presentations at the third Group Relations (GR) international meeting in Belgirate, Italy in November 2009, plus a number of pieces from participants reflecting on their experience of the meeting. The book takes yet another step in continuing the discourse, which began in 2003, articulating the relevance of the GR conference method and the timeliness of its application globally. The chapters in the book deal with the personal as well as the organisational journeys of GR practitioners and examine these through the lens of tradition, succession and creative application. The authors are experienced Group Relations practitioners internationally and together they enrich further the tapestry of GR model and its application and potential.
