Massa. El salto del Tigre (Spanish Edition) Pablo De León

"Sobre una contradicción -un oxímoron, en retórica- Sergio Massa construyó en unas pocas semanas un proyecto que ha puesto en riesgo por primera vez la hegemonía de una década de kirchnerismo. Para este desafío le alcanzó apenas con plantear una incerteza en una época de absolutos", afirma Walter Curia en el prólogo a este libro.

El periodista Pablo de León investigó y siguió de cerca al personaje para develarnos su origen y sus conexiones, su intimidad y su exposición pública y política, analizando sus vínculos con el poder.

«Este libro de Pablo de León es el primer intento desde el periodismo por despejar las incógnitas del fenómeno Sergio Massa, el peronista que liderando una oposición blanda y con una retórica conciliadora se trepó al escenario político para disputar el poder a Cristina Kirchner.»

Walter Curia
