## **The Discipline of Spiritual Discernment (Foreword by John MacArthur)** Tim Challies

Spiritual discernment is good for more than just making monumental decisions according to God's will. It is an essential, day-to-day activity that allows thoughtful Christians to separate the truth of God from error and to distinguish right from wrong in all kinds of settings and situations. It is also a skill-something that any person can develop and improve, especially with the guidance in this book.

Written by a leading evangelical blogger, *The Discipline of Spiritual Discernment* is an uplifting, scripturally grounded work that explains the need for discernment, its challenges, and the steps that will cultivate it. Author Tim Challies does not do the discerning for readers; he simply shows them how to practically apply scriptural tools, principles, and wisdom so that their conclusions about everything-people, teachings, decisions, media, and organizations-will be consistent with God's Word.
