**Most Christians are living a distorted Christian life. You don't have to be one of them.**

Imagine a church where 84% of Christians are completely unfamiliar with the essential tenets of their faith, with a crippling misunderstanding of the word *righteousness* and, in turn, the gospel of Jesus.

According to a recent survey conducted by Chris Seay and Barna Research Group, this is not just speculation; it's the reality for the church today.

*The Gospel According to Jesus* takes an in-depth look at this research study, which examines our understanding of the command, "Seek first the kingdom and His righteousness." Most Christians define *righteousness* as *morality*. This means that what's being preached by the church is not at all the gospel Jesus intended for His followers.

Through personal stories, interviews with today's church leaders, and a detailed study of the book of Romans, Chris uncovers a staggering disconnect between the gospel according to Christians and the gospel according to Jesus--the redeeming, restorative gospel that a broken world so desperately needs. Our role, he says, is to join Jesus in restoring the world. *Will you?*
