## **The Prodigal: A Poem** Derek Walcott

Do not diminish in my memory  
villages of absolutely no importance,  
... Hoard, cherish  
your negligible existence, your unrecorded history  
of unambitious syntax, your clean pools  
of unpolluted light over close stones.

*The Prodigal* is a journey through physical and mental landscapes, from Greenwich Village to the Alps, Pescara to Milan, Germany to Cartagena. But always in "the music of memory, water," abides St. Lucia, the author's birthplace, and the living sea. In his new work, Derek Walcott has created a sweeping yet intimate epic of an exhausted Europe studded with church spires and mountains, train stations and statuary, where the New World is an idea, a "wavering map," and where History subsumes the natural history of his "unimportantly beautiful" island home. Here, the wanderer fears that he has been tainted by his exile, that his life has become untranslatable, and that his craft itself is rooted in betrayal of the vivid archipelago to which, like Antaeus, he must return for the very sustenance of life.

#### Jacob Brown:

As a university student exactly feel bored to be able to reading. If their teacher requested them to go to the library in order to make summary for some book, they are complained. Just small students that has reading's soul or real their pastime. They just do what the trainer want, like asked to the library. They go to at this time there but nothing reading seriously. Any students feel that reading through is not important, boring in addition to can't see colorful pics on there. Yeah, it is being complicated. Book is very important to suit your needs. As we know that on this age, many ways to get whatever we really wish for. Likewise word says, ways to reach Chinese's country. So , this The Prodigal: A Poem can make you experience more interested to read.
