## **Beer Quest West: The Craft Brewers of Alberta and British Columbia** Jon C. Stott

It's no secret that Canadians love beer, and in the western provinces, the large number of successful microbreweries continues to prove that distinct beer—high-quality beer—is important to our national pint-lovers. *Beer Quest West* is for homebrewers and beer aficionados alike: this is your guide to the best of the west.

Alberta and British Columbia are host to over seventy microbreweries, and that number is increasing every year. In this comprehensive field guide, each brewery is fully described, complete with location, the story of the brewery, profiles of the faces behind the brew and of course, their core list of beers. Terminology is explained, and author Jon Stott discusses the grain-to-glass process and the many different beer styles produced in the western provinces. Whether you favour an IPA, a lager, a porter or stout, you'll find your pint between the pages of *Beer Quest West*.
