The Ghost at the Table: A Novel Suzanne Berne

Strikingly different since childhood and leading dissimilar lives now, sisters Frances and Cynthia have managed to remain "devoted"—as long as they stay on opposite coasts. When Frances arranges to host Thanksgiving at her idyllic New England farmhouse, she envisions a happy family reunion, one that will include the sisters' long-estranged father. Cynthia, however, doesn't understand how Frances can ignore the past their father's presence revives, a past that includes suspicions about their mother's death twenty-five years earlier.

As Thanksgiving Day arrives, with a houseful of guests looking forward to dinner, the sisters continue to struggle with different versions of a shared past, their conflict escalating to a dramatic, suspenseful climax.

From reader reviews:

Marcus Leiva:

With other case, little persons like to read book The Ghost at the Table: A Novel. You can choose the best book if you'd prefer reading a book. Providing we know about how is important the book The Ghost at the Table: A Novel. You can add information and of course you can around the world by the book. Absolutely right, mainly because from book you can learn everything! From your country till foreign or abroad you will end up known. About simple point until wonderful thing you could know that. In this era, we could open a book or maybe searching by internet system. It is called e-book. You can utilize it when you feel uninterested to go to the library. Let's examine.

Annie Hernandez:

As people who live in the modest era should be up-date about what going on or info even knowledge to make all of them keep up with the era that is always change and make progress. Some of you maybe will update themselves by reading books. It is a good choice for you personally but the problems coming to you is you don't know what one you should start with. This The Ghost at the Table: A Novel is our recommendation to help you keep up with the world. Why, because book serves what you want and wish in this era.

Tonette Land:

Information is provisions for people to get better life, information nowadays can get by anyone from everywhere. The information can be a understanding or any news even a concern. What people must be consider if those information which is inside the former life are difficult to be find than now is taking seriously which one is suitable to believe or which one often the resource are convinced. If you get the unstable resource then you get it as your main information there will be huge disadvantage for you. All of those possibilities will not happen throughout you if you take The Ghost at the Table: A Novel as the daily resource information.

Olivia Dickert:

Reading a guide tends to be new life style in this era globalization. With reading you can get a lot of information that could give you benefit in your life. Together with book everyone in this world may share their idea. Ebooks can also inspire a lot of people. Many author can inspire their very own reader with their story or maybe their experience. Not only the storyplot that share in the books. But also they write about the information about something that you need instance. How to get the good score toefl, or how to teach your young ones, there are many kinds of book which exist now. The authors on earth always try to improve their proficiency in writing, they also doing some analysis before they write to the book. One of them is this The Ghost at the Table: A Novel.
