The Wisdom of the Torah

The Wisdom of the Torah

Celebrate one of the world's greatest collections of pure literature

In Hebrew, the word *Torah* means instruction, and throughout thousands of years this collection of writing has offered just that—instruction in the central beliefs of three world religions: Judaism, Christianity, and Islam. But by observing the Torah, or the Hebrew Bible, as a collected work of multiple authors spanning generations, the modern reader can look beyond its fundamental instruction. *The Wisdom of the Torah* concentrates on the Hebrew Bible as a book of philosophy and literature and offers some of its most powerful and poetic passages, including “The Poems of King David,” “The Parables of King Solomon,” and “The Love Songs of King Solomon.” In these works, readers find many lyrical and timeless reflections on what it means to have faith and to be a member of the human race.

This ebook features a new introduction, image gallery, timeline of the Torah and Judaic history, and index of the Books of the Torah.
