## **Tiempo desnudo (Spanish Edition)** Francisco Pastor

Jacinto y una caterva de extraños personajes imposibles (entre ellos el señor Boca, Juan Frío o la sierpe con cuerpo de sombrero) están planeando la huida de un enigmático hospital donde parecen estar confinados. Sin embargo, hace unos años todo era diferente, Jacinto tenía una vida de éxito: instalado en el departamento de ventas de una de las empresas más importantes del país y considerado como el mejor en su puesto, además había logrado conquistar a una atractiva compañera de trabajo. Pronto, las circunstancias de su entorno iban a confabular contra él.

Tiempo desnudo es una novela atípica, tanto por su desconcertante propuesta formal como por el descarnado soliloquio existencial de su protagonista.
