The guide school leaders need to reap the rewards of education's most exciting new trend

Flipping classrooms—using class time for hands-on learning and "off loading" the lecture portion of lessons as homework—is taking schools by storm. This book makes the case to educational leaders for the benefits of flipping. Backed by powerful data and anecdotes, topics include:

- Data on positive student outcomes in terms of achievement and motivation
- How flipping gives teachers more time to work with students one-on-one and encourage peer learning
- How flipping engages students in 21st century skills
- Ways flipping is budget and resource-friendly
