Otis Loren Long

The *New York Times* bestseller and official 2013 Jumpstart Read for the Record selection!

New York Times bestselling author/artist Loren Long creates an unforgettable children's classic.

Otis is a special tractor. He loves his farmer and he loves to work. And he loves the little calf in the next stall, whom he purrs to sleep with his soft motor. In fact, the two become great friends: they play in the fields, leap hay bales, and play ring-around-the-rosy by Mud Pond.

But when Otis is replaced with the big yellow tractor, he is cast away behind the barn, unused, unnoticed . . . until the little calf gets stuck in Mud Pond. Then there is only one tractor—and it's not big or yellow—who can come to the rescue. It is little old Otis who saves his friend. It is Otis who saves the day.

In a wonderful new palette, and in the tradition of classics like *Mike Mulligan and His Steam Shovel* and *The Story of Ferdinand*, Loren Long has crafted an unforgettable new story—and character—celebrating the power of friendship and perseverance.

From reader reviews:

Lisa Martin:

What do you consider book? It is just for students because they're still students or that for all people in the world, the actual best subject for that? Only you can be answered for that concern above. Every person has different personality and hobby for each and every other. Don't to be compelled someone or something that they don't need do that. You must know how great and also important the book Otis. All type of book are you able to see on many resources. You can look for the internet solutions or other social media.

Bobby Morrison:

This Otis are usually reliable for you who want to be considered a successful person, why. The reason why of this Otis can be on the list of great books you must have is giving you more than just simple looking at food but feed you with information that might be will shock your earlier knowledge. This book is definitely handy, you can bring it all over the place and whenever your conditions both in e-book and printed people. Beside that this Otis giving you an enormous of experience including rich vocabulary, giving you trial run of critical thinking that we all know it useful in your day activity. So , let's have it and luxuriate in reading.

Marilyn McDermott:

The book with title Otis includes a lot of information that you can understand it. You can get a lot of advantage after read this book. This specific book exist new know-how the information that exist in this guide represented the condition of the world currently. That is important to yo7u to learn how the improvement of the world. This specific book will bring you inside new era of the syndication. You can read the e-book on your smart phone, so you can read this anywhere you want.

Mattie Priest:

As a pupil exactly feel bored to help reading. If their teacher requested them to go to the library in order to make summary for some publication, they are complained. Just small students that has reading's internal or real their passion. They just do what the teacher want, like asked to go to the library. They go to right now there but nothing reading seriously. Any students feel that reading through is not important, boring in addition to can't see colorful photos on there. Yeah, it is to become complicated. Book is very important for you personally. As we know that on this period, many ways to get whatever we want. Likewise word says, many ways to reach Chinese's country. So , this Otis can make you sense more interested to read.
