Sacred Ground (Rogue Angel Book 23) Alex Archer

In a land of subzero temperatures and snow-covered vistas, survival is a challenge. But for the Araktak—an isolated and mysterious Inuit people—this harsh tundra is their heritage. Until now. A large mining company has purchased the land, and the sacred Araktak burial site with it. But more than diamond deposits await them under the dark, icy earth....

Contracted by the mining company, archaeologist Annja Creed is to oversee the proper relocation of the burial site. Her job is to ensure that each ancient relic and all human remains are carefully removed. But the sacred ground harbors a terrible secret. One that a powerful group of men intend to unleash on an unsuspecting world—unless Annja can find a way to stop them.
