Sam Shepard

Tooth of Crime: Second Dance Sam Shepard

One of the plays that first announced Sam Shepard as an original voice in American theater, *Tooth of Crime* is his thrillingly innovative rock drama, published here in a revised edition that is as fresh and provocative as the original was more than thirty years ago.

An aging rock star in a world in which entertainment and street warfare go hand in hand, Hoss must defend himself against Crow, a newcomer who battles him for fame. Combining musical styles and intense dialogue in an unconventional musical-fantasy, *Tooth of Crime* riffs brilliantly on rising stars and fading legends, and rock lived and died for.

From the Trade Paperback edition.
