## **La mala memoria (Spanish Edition)** Santiago Giralt

Un niño gordo que no puede dormir de noche, una adolescente virgen que odia la hora de la siesta, una ama de casa que trabaja automatizada sacando fotocopias, una señora que reza y sueña con el pasado, un cura atraído por los niños, una anciana que pierde la conciencia. Un telar de personajes insomnes conforman el retrato de una familia cuyo centro, oculto tras el relato puntilloso de las diversas formas de la pesadilla en la vida cotidiana, es la construcción de la memoria de la clase media argentina de las últimas décadas.

"Con una estructura original y dinámica, Santiago Giralt construye una narración reveladora que nos permite entrar en la intimidad de los habitantes de una casa que es todas las casas. La memoria de este viejo-sabio-joven escritor nos lleva de vuelta a la infancia; nos mete en las camas, en los confesionarios, en los espacios más privados... Y desde allí conocemos a una familia que es todas las familias."

Mercedes Morán
