***Team-Building Handbook: Accountability Strategies for Nurses* gives staff members the strategies and framework they need to practice accountability, holding themselves up to the expectations for nursing behavior and standards of professional practice.**

This concise, easy-to-read handbook comes in packs of 10 that can be distributed to all staff members.

***Team-Building Handbook: Accountability Strategies for Nurses* offers nurse managers an indispensable tool to be used to build an environment where accountability is expected and welcomed. Encouraging nursing staff to accept accountability changes a unit where nurses identify problems and complain about them to a culture where nurses are accountable for finding solutions and taking responsibility for their own environment.**

This handy training guide can also be used by nursing professional development staff as a training tool for new and experienced staff during orientation and preceptorship programs, as well as in-services.

Table of Contents:

Introduction

Chapter 1: What is Accountability?

- Difference Between Accountability and Responsibility
- Accountability, Organizational Roles, and Culture
- Interpersonal Interactions in an Accountability Culture
