The Maisel Report Ivan Maisel

Sportswriter Ivan Maisel pulls no punches and takes no prisoners as he sets the record once and for all in this book about the most over and underrated programs in college football. A detailed, thoroughly researched thesis, it will make even the most die-hard fan of a team admit that their feelings have muddied their opinions and weakened all previous arguments about the who and what is the most overrated and underrated ever. Nobody is left out as Maisel goes through the best of college football's history, including sections on the most over/underrated moments, national champions, Heisman Trophy winners, stadiums, and more.
