CRC Standard Mathematical Tables and Formulae, 31st Edition (Advances in Applied Mathematics)

CRC Standard Mathematical Tables and Formulae, 31st Edition (Advances in Applied Mathematics)

A perennial bestseller, the 30th edition of CRC Standard Mathematical Tables and Formulae was the first "modern" edition of the handbook - adapted to be useful in the era of personal computers and powerful handheld devices. Now this version will quickly establish itself as the "user-friendly" edition. With a detailed table of contents and an extensive index listing over 6,000 entries, the 31st edition of this hugely successful handbook makes information even easier to locate.

New in the 31st edition:

- Game theory and voting power
- Heuristic search techniques
- Quadratic fields
- Reliability
- Risk analysis and decision rules
- A table of solutions to Pell's equation
- A table of irreducible polynomials in $\mathbb{Z}_2[x]$
- An interpretation of powers of 10
- A collection of "proofs without words"
- Representations of groups of small order
- Counting principles
- Tesselations and tilings
- ...and much more!

An indispensable, up-to-date resource, CRC Standard Mathematical Tables and Formulae, 31st Edition makes it effortless to find the equations, tables, and formulae you need most often.

From reader reviews:

Eugene Glover:

The guide with title CRC Standard Mathematical Tables and Formulae, 31st Edition (Advances in Applied Mathematics) has a lot of information that you can understand it. You can get a lot of gain after read this book. This specific book exist new understanding the information that exist in this e-book represented the condition of the world today. That is important to yo7u to find out how the improvement of the world. This kind of book will bring you throughout new era of the the positive effect. You can read the e-book in your smart phone, so you can read it anywhere you want.

Mamie Bostic:

Playing with family in a very park, coming to see the sea world or hanging out with close friends is thing that usually you could have done when you have spare time, subsequently why you don't try point that really opposite from that. One particular activity that make you not sense tired but still relaxing, trilling like on roller coaster you already been ride on and with addition info. Even you love CRC Standard Mathematical Tables and Formulae, 31st Edition (Advances in Applied Mathematics), you could enjoy both. It is excellent combination right, you still need to miss it? What kind of hang type is it? Oh occur its mind hangout people. What? Still don't have it, oh come on its identified as reading friends.

Lynn Jones:

Do you have something that you enjoy such as book? The e-book lovers usually prefer to decide on book like comic, quick story and the biggest you are novel. Now, why not attempting CRC Standard Mathematical Tables and Formulae, 31st Edition (Advances in Applied Mathematics) that give your fun preference will be satisfied through reading this book. Reading practice all over the world can be said as the way for people to know world far better then how they react when it comes to the world. It can't be mentioned constantly that reading routine only for the geeky man but for all of you who wants to always be success person. So , for all of you who want to start looking at as your good habit, it is possible to pick CRC Standard Mathematical Tables and Formulae, 31st Edition (Advances in Applied Mathematics) become your own personal starter.

Teresa Graham:

In this period globalization it is important to someone to get information. The information will make you to definitely understand the condition of the world. The fitness of the world makes the information easier to share. You can find a lot of referrals to get information example: internet, magazine, book, and soon. You can observe that now, a lot of publisher this print many kinds of book. Often the book that recommended to you personally is CRC Standard Mathematical Tables and Formulae, 31st Edition (Advances in Applied Mathematics) this book consist a lot of the information with the condition of this world now. This book was represented how does the world has grown up. The vocabulary styles that writer require to explain it is easy to understand. The particular writer made some exploration when he makes this book. This is why this book

acceptable all of you.
