Financing International Trade

James C. Baker

Financing International Trade James C. Baker

This book examines the U.S. international trade finance system, including the banks that finance trade; the U.S. Export-Import Bank, which guarantees and insures those trade credits; the Foreign Credit Insurance Association, which insures trade credits; the Public Export Funding Corporation, which makes loans to foreign buyers of U.S. exports; and the federal, state, and local agencies and private institutions that facilitate U.S. trade. Major foreign export credit agencies are discussed and compared with the American system, which is the most comprehensive in the world in its facilitation of financing U.S. export trade.
