Salma Hayek is the first and only Mexican actress to be nominated for an Academy Award for Best Actress. She has broken down racial barriers in Hollywood, establishing herself as the most influential Hispanic woman in the movie industry. A Mexican actress of Lebanese and Spanish descent, Salma has faced racism and stereotypes throughout her life. But she is proud of her multi-cultural heritage, and has worked hard to become a respected actress, producer, and director. With her production companies, Salma also provides opportunities for other Latin-American actors. However, her movies tell stories that appeal to people of all races and cultures. This book tells Salma's story. It offers a look at her early struggles as a biracial actress in the U.S. and her rise to fame. She has overcome great challenges to achieve success. A glamorous and talented star, Salma plans to keep following her dreams for years to come.
