Structural Funds: Growth, Employment and the Environment: Modelling and Forecasting the Greek Economy Nicos Christodoulakis, Sarantis Kalyvitis

Structural Funds: Growth, Employment and the Environment is a book on the role of transfers designed for assisting sustainable development of less developed regions within the European Union. The book places special emphasis on the future path of the Greek economy and discusses likely outcomes -related directly to the impact of these transfers- in:

- Growth and macroeconomic convergence
- Employment in key sectors of the economy
- Energy demand and its environmental aspect

-
