**The Dangerous Edge of Things: A Tai Randolph Mystery (Tai Randolph Series Book 1)** Tina Whittle  
Tai Randolph thinks inheriting a Confederate-themed gun shop is her biggest headache — until she finds a murdered corpse in her brother’s driveway. Even worse, her supposedly respectable brother begins behaving in decidedly non-innocent ways, like fleeing to the Bahamas and leaving her with both a homicide in her lap and the pointed suspicions of the Atlanta PD directed her way. Suddenly, she has to worry about clearing her own name, not just that of her wayward sibling. Complicating her search for answers is Trey Seaver, field agent for Phoenix, an exclusive corporate security firm hired to investigate the crime. Trey is fearless, focused, and — much to Tai’s dismay — utterly impervious to bribes, threats and clever deceptions. Still in recovery from the car accident that left him cognitively and emotionally damaged, Trey has constructed a world of certainty and routine. He has powerful people to answer to, and the last thing he wants is an unpredictable stranger “detecting” on Phoenix turf. Tai’s inquiry leads her from the cold-eyed glamour of Atlanta’s adult entertainment scene to the gilded treachery of Tuxedo Road. Potential suspects abound, including violent stalkers, vengeful sisters, and a paparazzo with a taste for meth. But it takes another murder — and threats to her own life — to make Tai realize that to solve this crime, she has to trust the most dangerous man she’s ever met.
