We Fish: The Journey to Fatherhood Jack L Daniel, Omari C. Daniel

We Fish is the tale of a father and son's shared dialogue in poetry and in prose, memoir and reflection, as they delight in their time spent fishing while considering the universal challenge of raising good children. Their story and their lesson have the power to teach today's young African American men about friendship, family, and trust; and the potential to save a generation from the dangers of the modern world and from themselves.
