Against the Gods: The Polemical Theology of the Old Testament John D. Currid

Did Moses borrow ideas from his cultural neighbors when he wrote the Pentateuch? Scholars disagree on the relationship between portions of the Old Testament and similar ancient Near Eastern accounts. Following in the footsteps of higher critics, some evangelical scholars now argue that Moses drew significantly from the worldview of his pagan contemporaries. Respected Old Testament scholar John Currid, however, pushes back against this trend by highlighting the highly polemical nature of Moses' writings. From the Genesis creation account to the story of Israel's exodus from Egypt, Currid shows how the biblical author's continually emphasized the futility of paganism in contrast with the unparalleled worldview of the Hebrews. Currid's penetrating analysis and thoughtful argumentation make this a ground-breaking resource for anyone interested in this ongoing discussion.
