**Bonesy (A Renner & Quist Adventure)** Mark Rigney

*Bones on the run!*

When Reverend Renner's mentor gives him a brass rubbing of a skeleton, nick-named Bonesy, a chain of calamity ensues. Bonesy breaks free from its frame and begins a violent, chaotic search for—what? It's up to Renner and his investigative partner, ex-linebacker Dale Quist, to uncover Bonesy's spectral motives.

*Bonesy* takes Renner & Quist on their most treacherous, rollicking supernatural adventure yet, a journey that will lead them from the ghost of Carole Lombard to the fens of Tudor England. And the books they find along the way are not the sort you can judge by their cover.
