## **BOOK #2: Body Language: 32 Most Common Body Language Gestures and Meanings. Everything You Need to Know For a Delightful Non-verbal Communication**

When I was a young child, maybe 7 or 8, I remember my dad seemed to be very interested in the topic of body language. Of course at that time I was too young to understand what was going on. However, as I became older and started to follow his ways I began to understand his fascination with the subject. What I discovered upon expanding my own knowledge on the topics still fascinates me till this day.

## **BOOK #3: Critical Thinking: 26 Tools to Develop Competence for Critical Thinking and Analyzing or Evaluating Information With Confidence**

Sometimes the most important concepts are overlooked by accident. This is certainly true of critical thinking as an attribute that is desirable at work and in personal relationships. No aspect of life goes untouched by the need for it. Yet, there are few workshops on the subject and fewer articles on the Web. It may seem obvious and is thus ignored, or it may be too abstract and illusive—something you study in philosophy class. This e-book, “Critical Thinking: 26 Tools to Develop Competence in Critical Thinking and Analyzing or Evaluating Information with Confidence,” is a succinct approach to the subject for the layman with the intention of helping readers understand the concept and how to improve the quotient they already have.
