The End of Our Exploring: A Book about Questioning and the Confidence of Faith Matthew Lee Anderson

Do we know what it means to question well?

We need not fear questions, but by the grace of God, we have the safety and security to rush headlong into them and find ourselves better for it on the other side.

Faith isn't the sort of thing that will endure as long as our eyes are closed. The opposite is the case: Faith helps us see, and that means not shrinking from the ambiguities and the difficulties that provoke our most profound questions.

In our embrace of questioning, we must learn to question well. In our uncertainty, we must not give up the task of walking worthy of the calling that Christ has placed upon us. For we have not yet reached the end of our exploring.

This book is written to aid you in faithfully questioning your foundations.
