Furious that his girlfriend chose to bring twin babies to term, Dennis walks out of Jennifer's life. And now the Centers for Disease Control have quarantined Jennifer, along with 200 others who attended the reception for a missionary couple bearing a deadly virus. Is Jennifer at risk? Does Dennis even care what will happen to the twins, separated from their mother at birth? Fear takes hold in the town as violence erupts, and Baxter experiences an outbreak deadlier than any virus. Still, woven through the tale of violence and victims is another story: one of divine love and purpose.
