Army of Darkness Vol. 1 #11 James Kuhoric

Returned from the past, Ash finds that New York City has been turned into a giant nightclub for the walking dead! Traveling through the streets of "New Transylvania," Ash and Eva must find the fiends responsible for turning NYC into the undead capital of the world and reverse the damage before the curse spreads to the entire world! As the "Chosen One" and Daughter of the Dead face the collected might of the monsters, Dracula initiates his ultimate endgame! Using a mysterious holy artifact, Dracula recites the ritual to become immortal and tries out the extent of his newfound "godhood" on a not-so-immortal Ash Williams! With an unexpected patchwork ally and a mysterious cursed girl (with an infamous bloodline) at his side, Ash must find a way to kill a monster that's already dead, but can't be killed. Huh?! Just pass the double-barrel boom stick and chainsaw, baby! We'll see if Count Suck-ula can still brag about his immortal mojo when he's been taken down like an all-you-can-eat buffet dinner at a sumo convention! The ultimate horror showdown concludes as Ash faces off with Dracula in the battle to end all battles, leading up to the "death" of Ash and the alternate Rip Van Winkles ending!
