Kabbalistic Prayers & Invocations for Financial Prosperity ARIEL BAR TZADOK

Translated from traditional Kabbalistic (Sephardic Jewish) sources.

One's financial status is always in the Hands of Heaven. It is wise and beneficial that one should pray for one's sustenance on a daily basis.

These prayers follow the Kabbalistic order to solicit Divine mercy to sustain, support and bless our endeavors to bring us significant financial success and prosperity.

Please note that these translations include the original Hebrew Names of G-d and His angels. While one may recite aloud the Names of G-d, one should not recite aloud the names of angels.

One should recite angelic names silently (or in a whisper). Even the mere recitation of an angelic name is equivalent to an invocation.

Angels, unlike G-d are easily aroused to anger when invoked by human beings. It is not wise to invoke angelic wrath. It certainly can be a hindrance in one achieving one's financial goals.
