Shards (The Prospero Chronicles) F. J. R. Titchenell, Matt Carter

With a strong Lovecraftian bent, this is the continuing saga of ordinary human resistors who must sacrifice their normal lives in favor of fighting for all humankind. When autumn descends on Prospero, California, Ben Pastor hopes that the normality of the new school year may offer a reprieve from the town's recent paranormal horrors. Mina Todd, however, knows all too well that there are no reprieves and no normality in this town, especially after she starts having crippling, unexplained hallucinations of the dead. But even she can't prepare for what the coming year holds. On top of a brewing civil war that threatens all of humanity, inside the walls of Prospero High, Ben, Mina and their expanding network face a sinister campaign that aims to destroy their friendship, a newly human Haley Perkin struggling to readjust to life, and an assassin of untold power who is picking off human rebels. Ben and Mina's one hope may rest with a mysterious figure hiding in the woods outside of town; a living legend who may know how to stop this dangerous new breed of supernatural foe. That is, assuming the figure doesn't first kill everyone himself.
