Stormbringer: A Weather Witch Novel Shannon Delany

In the intrigue-filled follow up to *Weather Witch*, Jordan Astraea, once a young Philadelphia lady of good social standing, is now in the final stages of her brutal training to become a Conductor—the Weather Witch who serves as a living battery to keep the massive airliner Artemesia aloft. Meanwhile, Rowen, determined to rescue her after losing his only other true friend and being wanted for murder, has found himself forced aboard a much different air vessel, this one manned by a dangerous crew and carrying a cargo so treasonous, that, if finding its destination, will herald a storm of revolution for the still young United States.

With a spirit for adventure, romance, fantastic world building and cunning imagination, Shannon Delany delivers the sensational follow up to *Weather Witch* in *Stormbringer*, the second book of the trilogy.
