God spoke to Moses, Paul, and other spiritual giants of the Bible. Does he also speak to each of us? Is it possible that he's communicating to us, but we don't recognize his voice? New author Theodore John Sanborn addresses this theme in his inaugural book, *What's that Noise? Listening for God in a Busy World*. Sanborn draws us into the topic with thoughtful questions regarding our beliefs and applies his own experiences to craft a compelling case for the reality of God's desire to converse with us. Hear his story and consider how God might be trying to communicate with you.
