**When Are You Coming Home?: A Personal Guide to Soul Transcendence** DSS John-Roger, Pauli Sanderson

Inspired by the concept of the prodigal son and based on the author's experiences, this is a unique and intimate story of spiritual awakening. Although largely biographical, it contains elements of an adventure story that follows the exploration of a universal divine essence and a greater reality of spirit. Both simple and profound, it conveys with disarming candidness the immediacy of the soul. This book will prove invaluable to those who are looking for life's deeper meaning in the face of modern challenges, and individuals who are searching for a greater spiritual understanding of the human experience. Included are a chart of the inner realms of the spirit and a CD audio tour of the reflective process.
