## **Without Buddha I Could not be a Christian** Paul F. Knitter

Being a Christian isn't easy. Sustaining belief without any doubts for one's entire life is a very rare accomplishment. Indeed, many would say that examining one's faith at least once is a central part of the Christian condition. In this landmark work, esteemed theologian Paul Knitter explains the unique path that he took to overcome his doubts, becoming a stronger Christian in the process.

Honest and unflinching, *Without Buddha I Could not be a Christian* narrates each common spiritual dilemma that Knitter has struggled with and explains how a Buddhist worldview has allowed him to resolve each one. From the 'petitioning' nature of Christian prayer to how Christianity views life after death, Knitter argues that a Buddhist standpoint can help inspire a more person-centred conception of Christianity, where individual religious experience comes first, and liturgy and tradition second. Moving and revolutionary, this book will inspire Christians everywhere.
