Few television programmes have made such an impact on the public consciousness as Buffy the Vampire Slayer, which has hooked a dedicated band of viewers of both sexes and all ages, and whose heroine has become a cultural icon for our times. In January 2003 in a poll of the Top 100 SF and Fantasy characters of all time, the vampire Spike was voted No. 2 and Buffy No. 3 by the readers of SFX, the world's largest-circulation science fiction magazine. Here is the long-awaited companion to the final three seasons of the show, with the same sassy mix of detail and insight that has led volumes one and two of the Watcher's Guide to be hailed as the best of their kind. The third volume includes full episode guides to seasons 5, 6 and 7 -- thirty-three episodes in all, including the highly-acclaimed 'The Body', the legendary musical episode 'Once More With Feeling' and the sensational series conclusion -- plus comment on the show and its place in television history from a host of contributors, cast and crew. This is a book that no Buffy fan can afford to be without.
