## **El Contrato Social (Spanish Edition)** Jean Jacques Rousseau

Se dice que este libro fue uno de los muchos incitadores de la Revolución francesa por sus ideas políticas. Bajo la teoría del contrato social se fundamenta buena parte de la filosofía liberal, en especial el liberalismo clásico por su visión filosófica del individuo como fundamental, que luego decide vivir en sociedad por lo que necesita del Estado de Derecho que asegure las libertades para poder convivir. Así también se dice que en este libro se exponen lo que en el futuro serían los principios de la filosofía política socialista, en parte por el concepto de la voluntad general.
