## **La mamá del Quijote (Spanish Edition) Rius**

La interpretación de un maestro del humor, de la interpretación de un maestro de la ilustración, de la interpretación de un genio de la literatura.

Con base en la edición de Dover del Quijote ilustrado por Gustave Doré, sin duda la interpretación gráfica más representativa del clásico de Cervantes. 190 grabados en 120 páginas con el toque de Rius usando la técnica del Collage, de la primera a la última página un increíble despliegue de imaginación, sensibilidad y sarcasmo.

Un libro donde convergen tres Quijotes soñadores, en donde Rius -a través del humor popular, la sátira y el sarcasmo- no sólo logra una visión completamente nueva de esta magna obra, sino además es la forma más divertida de emprender un viaje dentro de una moderna región de la mancha.
