## **Lim Kit Siang: Defying The Odds** Ooi Kee Beng

Lim Kit Siang has been fighting on the forefront of Malaysian politics since the late 1960s. Uncompromising in his mission to pull the country away from systemic race-based politics and all the ills that stem from the sustainment of these over five decades, he was jailed twice without trial. His persistence saw him and his followers well placed to participate in the surprising resurgence of political opposition over the last 15 years. Since 2008, his Democratic Action Party has grown greatly in strength, and together with its allies, has been able to seriously challenge the ruling coalition.

This book captures the spirit of Lim's life, and describes the grim yet gratifying journey that his refusal to compromise on his political convictions forced him to take. It is the tale of a man who felt he had no choice, and consequently, whose impact on his country's history is great. In that sense, his story is also a narrative about a country that has yet to fulfil the great promise that it holds.
