The Echo Within: Finding Your True Calling Robert Benson

“I can remember the words people said that meant so much to me and my own sense of who I was and who I might become.... You know you have heard such a sentence when you hear inside a corresponding *Yes*. The *Yes* is an echo of sorts, or at least it is the same voice as is the Echo that you have come to count on. Such a sentence takes your breath away.... It tells you something about yourself that you suspected or hoped, something you glimpsed but were too shy or uncertain to name aloud.”

To Hear and Live Your Calling

When one day a friend wondered if he was being called to a certain field of work, he asked Robert Benson, “Do you think I am?”

The Echo Within is Robert’s illuminating answer, a thoughtful, honest, profoundly-affecting account of his own search and failings and eventual discovery of the *Yes* he describes—what it is one truly is called to do and be. Written out of a lifelong search and response to the callings on his life, *The Echo Within* explores:

- how to love the work you do, and the process of doing it.
- ways to sense God’s pleasure in your pursuits, both in the pursuits and in you.
- whether you fall into your vocation as a destiny or you chart that course.
- how to begin living with added dimensions of meaning and purpose.

Through the ups and downs of the changes inherent in family life, professional choice, and spiritual experience, Robert shares with wisdom, humor, and heart what he’s learned—and how you can discover your calling too.
