## **Escravos Modernos (Portuguese Edition)** Cláudio Abreu

A ruína da Era Moderna criou uma espécie de vácuo, um vazio no pensamento interpretativo dominante do mundo ocidental. John Lennon identificou com clarividência esse fenômeno ao afirmar que o sonho havia acabado. As certezas fabricadas pelo ideal iluminista morreram e o que era sólido liquidificou-se. Mediar as relações entre o eu e o outro tornou-se tarefa delicada, que exige novas compreensões, novas leituras, a adoção de novas linguagens e a celebração de novos pactos. As relações de poder mudaram, invertem-se, quanto mais o tempo passa. As crenças e as técnicas do século passado perdem sua eficácia a cada dia. Tenho ministrado cursos e oficinas para gestores e líderes de alta performance, os quais admitem estarem perdidos em meio ao emaranhado de argumentos e abordagens que já não produzem mais os resultados de outrora. *Escravos Modernos* é o primeiro livro da trilogia *Gestão de Pessoas em Tempos Mutantes - Pós-Modernidade*. Nele faço provocações a todo profissional que quer revisitar sua carreira e revalidar seu currículo em gestão de talentos e mediação de conflitos nos limites do mundo corporativo.
