**Introducción al estudio del derecho (Biblioteca Jurídica Porrúa) (Spanish Edition)** Eduardo García Maynez

El lector de esta obra se encuentra ante un hecho extraordinario, único en México y muy poco frecuente en país alguno. Un texto jurídico que alcanza su edición número cincuenta con 436,000 ejemplares vendidos. La primera edición se remonta a 1940 y hoy en día sigue siendo libro de texto en numerosas Facultades y Escuelas no sólo de México, sino de toda América Latina porque continúa joven, vigoroso, profundo y útil.

Estos párrafos, no constituyen un análisis del libro; los he escrito como un homenaje, en esta celebración, en este aniversario de oro, a su ilustre autor quien en vida ya constituía un mito, un personaje de leyenda y de veneración. Redactar estas oraciones me honran y me permiten públicamente mostrar mi gran respeto a uno de los pensadores mexicanos más preclaros de este siglo.
