Meet Peck, a chubby desert quail who just wants to have his friends over for a morning meal. Breakfast for Everyone is the latest entry in the popular I Can Read™ line of books for young readers.

Intended for level-two readers, Breakfast for Everyone is educational, entertaining, and it has a lovely message about accepting each other's differences—differences that are God's plan for us. Peck has made

seed pancakes and invited all his friends over for breakfast. But each guest shows up with something different—from grass salad to lizard soup—and Peck's disappointed that no one's sharing his pancakes.

Then he remembers that God made us all different on purpose, and that friendship is the very best thing to share!
