Early one evening, I was patrolling alone and decided to stop a vehicle with its taillight out. I had no way of knowing that this seemingly routine decision would lead to a strange twist of fate years later. . .

These true, first-hand accounts from law enforcement officials across the nation reveal how intuition, apparitions, UFOs, prophetic dreams, and other forces beyond our understanding have impacted them in the course of duty.

The weird and unexplained experiences in this book take place in the midst of the death-defying gun battles, thrilling rescues, and heart-searing tragedies that police officers face every day—and reveal the fascinating inner lives of the heroic men and women behind the badge.
