All The Mermaids In The Sea: The Lost Journals of the Little Mermaid (Volume 1) Mr. Robert W. Cabell

Volume.1 – "All The Mermaids In The Sea": Denmark's King Valdemar I, was a young prince when he was washed overboard in a violent storm. His life was saved, but his heart was lost, to Poseidon's youngest daughter, Helmi. Twenty-five years later, he faked his death and returned to her in the sea. Their daughter Miranda protected their realm from the ravages of two world wars and then met her own true love, Halder, a marine biologist. On the day of their daughter's birth, Miranda and Halder were mysteriously killed along Seattle's waterfront, but their child survived. Adopted by a loving couple, she was named for the lavender pearl around her neck --- the only clue to her true identity. While at Dolphin Quest in Hawaii for her thirteenth birthday, everything changes. As Pearl swims with the dolphins, she magically transforms into a mermaid. During her journey through the depths of the oceans, she learns her parents were murdered and her grandmother is the immortal Little Mermaid. The stories of Helmi, Miranda, and Pearl are woven together in a sweeping epic of romance and adventure, with a dazzling conclusion that changes the fate of mankind.
