Ammunition (Inspector Brant Series) Ken Bruen

Over the many years that Inspector Brant has been bringing his own patented brand of policing to the streets of southeast London, the brilliant but tough cop has made a few enemies. So when a crazed gunman, hired by persons unknown, pumps a magazine full of bullets into Brant in a local pub, leaving him in grasping at life (but ornery as ever), his colleagues on the squad are left wondering how to react.

Brant's old partner Inspector Roberts, the man who may know him best, finds himself wondering why someone didn't shoot the hateful detective years ago. In Ken Bruen's *Ammunition*, they're all about to find out that the answer is quite simple: if you come after Brant you'd damn well better kill him the first time--because if you don't, you won't want to stick around to find out what happens next.
