Can a rubber tree placed in the north part of the home bring calm? Could an aquarium behind the bed inadvertently invite robbers? Might amber purify a room by transforming negative energy to positive? In House Magic, Ariana explains these effects and more, introducing readers to pagan feng shui ? Wiccan energy management for the home. Feng shui, witchcraft, and astrology are already familiar to many readers, but House Magic is the first book to bring these practices together. The purpose? To show how, by using a little bit of each, people can activate positive energy in their homes and, consequently, in their lives. Fun, playful, and practical, House Magic explains where not to place certain objects in a room; links specific astrological signs to decorating styles and habits of collecting; and shows readers how to create a beautiful space that attracts positive energy for themselves and their guests to enjoy.
