## **Ragazzi violenti (Farsi un'idea) (Italian Edition)** Filippo Muratori

Cosa può condurre un ragazzo ad avere un comportamento violento fino all'omicidio? Chi sono i ragazzi violenti? L'aggressività è un fenomeno molto complesso, non sempre sinonimo di violenza e non sempre immediatamente collegabile ad una diagnosi psichiatrica; perché un comportamento possa essere definito violento è infatti necessario l'intervento di molti fattori genetici, biologici, familiari o sociali, ancora in gran parte sconosciuti. L'autore del volume, dopo aver smontato una serie di luoghi comuni, a partire da quello che vede in aumento la violenza nelle nuove generazioni, individua le radici dell'aggressività, mette a fuoco le sue possibili cause, esamina le diverse tipologie di comportamento violento e i suoi rapporti con i disturbi psicopatologici. Infine, si sofferma sulle cure e sugli interventi di recupero, invitando tutti coloro che sono coinvolti nel processo educativo a non demonizzare il problema, ma a capire per poter prevenire, nell'interesse non solo dei soggetti a rischio ma anche dell'intera comunità.
