Stuart Hollander

Saving the Family Cottage: A Guide to Succession Planning for Your Cottage, Cabin, Camp or Vacation Home Stuart Hollander

Now published by Nolo, *Saving the Family Cottage* is written in plain English by estate planning and succession attorney-experts Stuart Hollander and David S. Fry, to help you plan to pass on your vacation home and keep it in the family. Complete with real-world examples and stories of cottage "wars" gone awry, this book breaks down the essentials for passing your cottage to the next generation.

Find out how to:

- figure out which estate planning entity is right for you and your family
- develop a cottage schedule
- deal with co-owners who fail to pay their assessments
- decide whether to establish an endowment
- allocate control between and within generations of owners

Although the term "cottage" is used throughout, the practical advice from the authors applies to any property that a family wants to retain. With information for owners, attorneys and financial planners, this guide to succession planning makes a complex problem understandable and offers concrete solutions to what can be a delicate family matter.

This edition acknowledged the addition of Attorney David S. Fry as an author of the book and successor to the author's cottage law practice. The updated edition is now published by Nolo and has been revised to include the latest state and federal rules that apply to vacation home owners, including fully up-to-date estate tax information.
