Tierras bravas: Cine peruano y latinoamericano (Spanish Edition) Isaac León

La explicación del título de este libro se encuentra en las acepciones de la palabra 'bravo' que recoge el DRAE: valiente, esforzado; fiero, feroz, embravecido; violento o áspero; porque así son el Perú y Latinoamérica y así son los rasgos que caracterizan su cine y que se reflejan en esta compilación de textos escritos a lo largo de varias décadas, publicados en revistas ahora de difícil acceso.
